

Customizing Active Reports

(Revised 8/16/07)

This document will be updated to include the most current documentation related to customizing reports.

<i>Title/Link</i>	Description
Line Item Report with Images.pdf	Shows you how to add Images to the Line Item Reports
Modifying Project Summary.pdf	Shows how to modify the Subreports that make up the Project Summary
Show Hide Detail Based on Value	Show how to Show or Hide a product based on Value. This is handy if you wish to Hide items that have no price.
Proposal Line Item Report.pdf	Discusses the Package and aggregation problem in the initial release of SI 5. Has link to modified Line Item Report.
